Supporting NHS Trusts to Make Savings and Improvements

26 January 2016

Dear Colleague,

At Pearson we're committed to helping all individuals make progress in their lives, and work closely with NHS Trusts to ensure outcomes can be met in a timely and cost-effective way. We wanted to take this opportunity to contact you and your department with a reminder of our available services.

Facilitating better cost management

You can now download an updated list of our key product ISBN's and prices for 2016 from our website. This Excel spreadsheet can be used to help aid your budgetary planning and facilitate ease of ordering: pearsonclinical.co.uk/procurement. This price list will be updated on an annual basis.

If you are unable to find a particular product please do visit pearsonclinical.co.uk/catalogues where you can download our new catalogues or call our Customer Services team on 0845 630 8888* Calls cost 3p per minute plus your phone company's access charge.

Postage and Packaging

A reminder that postage and package costs have now been removed from all NHS orders placed with a valid purchase order number.

New products and digital options

This year we have a number of updates to our portfolio, including new products which your department may wish to invest in. These include the:

- Test of Everyday Attention for Children, Second Edition (TEA-Ch2)
- Millon Clinical Multiaxial Inventory, Fourth Edition (MCMI-IV)
- Behavior Assessment System for Children, Third Edition (BASC-3)
- Vineland Adaptive Behavior Scales, Third Edition (Vineland-3).

Enhancements to Q-interactive® and Q-global™ have also been made, with new assessments added and improved functionality which will enable clinical teams to take advantage of time and cost savings via digital assessment.

If you are interested in learning more, we would be happy to meet with yourself or the Clinicians within your team. Please contact us via the email below.

Keeping in touch

We will be making timely announcements regarding our products and future developments via our e-newsletters, and would ask you to encourage your department and Clinicians, to sign-up to receive these at pearsonclinical.co.uk/enewsletter

If you do have a quick query regarding an ISBN or price, you can use our Live Chat function available on our website.
