

Digital Assessment Library for Universities (DALU) for Allied Health

**Only £65
per license/
year**

An annual subscription per student or staff member that gives access to Pearson's most popular assessments digitally via our Q-global and Q-interactive platforms.

With the increased need for remote learning, as well as face-to-face assessments not always possible at University clinics, we've made a few of our most popular digital test manuals and stimulus books available on our Q-global and Q-interactive platforms.

The Digital Assessment Library for Universities (DALU) will provide a remote teaching solution for university course leaders, plus give students and staff the ability to practice assessments via a telehealth platform and also review assessment content online in their own time.

This simple annual subscription will give staff and students access to some of Pearson's most popular Speech and Language and Occupational Therapy digital test manuals and stimulus material on Q-global and Q-interactive.

What is included?

The following digital test manuals and stimulus books are included in the Digital Assessment Library:

Language

Clinical Evaluation of Language Fundamentals – Fifth Edition (CELF-5 UK)

A streamlined, flexible approach to language assessment that reflects today's diverse population.

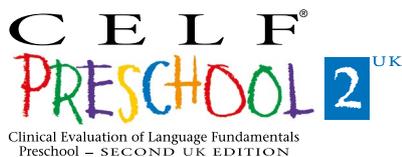

CELF 5 UK digital examiner and technical manual and stimulus book

CELF-Preschool 2 UK*

Measure a broad range of expressive and receptive language skills in young children.

CELF – Preschool 2 UK digital examiner manual and stimulus books 1 & 2

Clinical Evaluation of Language Fundamentals®, Fifth Edition Metalinguistics (CELF 5 Metalinguistics)

Four tests of higher-level language skills that are embedded in school curricula and are critical to classroom success.

CELF 5 Metalinguistics digital examiner and technical manuals and stimulus books

Preschool Language Scale – Fifth Edition (PLS-5 UK)*

A comprehensive developmental language assessment, with items that range from pre-verbal, interaction-based skills to emerging language and early literacy.

PLS-5 UK Administration and Scoring Manual, Examiners Manual, Picture Manual and Home Communication Questionnaire.

Speech

Goldman-Fristoe Test of Articulation, Third Edition (GFTA 3)

Brief to administer and easy to score, providing accurate scores you can count on for making diagnostic and placement decisions.

GFTA 3 Digital manual and Stimulus book

Khan-Lewis Phonological Analysis, Third Edition (KLPA-3)

Works with Goldman-Fristoe 3 to give you a more comprehensive evaluation by evaluating if use of phonological processes are contributing to the individual's speech sound disorder.

KLPA 3 Digital manual and Sound change booklet

Vocabulary

Expressive Vocabulary Test Third Edition (EVT-3)

A norm-referenced and individually administered test of expressive vocabulary and word retrieval based on words in Standard American English.

EVT-3 Digital manual and Stimulus books A & B

Neurological Impairment

Western Aphasia Battery – Revised (WAB-R)

A complete battery and a bedside instrument to quickly diagnose moderate to severe aphasia.

WAB-R Digital Examiners Manual, Remote Adapted Stimulus Book and Stimulus Book

Occupational Therapy

Beery-Buktenica Developmental Test of Visual-Motor Integration, Sixth Edition (Beery VMI)

Assess visual-motor skills in children and adults that can lead to learning, neuropsychological and behaviour problems.

Beery VMI 6th Edition Digital Manual

Bruininks Motor Ability Test (BMAT)

Standardised test of gross and fine motor skills for adults.

BMAT does not have any digital assets but can be used to administer onscreen via Q-global and generate reports on the data

Bruininks-Oseretsky Test of Motor Proficiency, Second Edition (BOT-2)

Assesses the motor proficiency of all students, ranging from those who are normally developing to those with moderate motor-skill deficits.

BOT-2 Digital manual

Movement Assessment Battery for Children – Second Edition (Movement ABC-2)*

Identify, describe and guide treatment of motor impairment in children up to 16 years 11 months.

Movement ABC-2 Digital examiners manual and Intervention manual

Pediatric Evaluation of Disability Inventory Computer Adaptive Test (PEDI-CAT)

A computer adaptive caregiver report which measures Daily Activities, Mobility, Social/Cognitive, and Responsibility.

PEDI-CAT Digital manual

Rivermead Behavioural Memory Test – Third Edition (RBMT-3)*

Predict everyday memory problems in people with acquired, non-progressive brain injury and monitor change over time.

RBMT-3 Digital administration & scoring manual, Stimulus books 1 & 2 and Novel task scoring card

Sensory Profile 2™

Evaluate children's sensory processing patterns at home, school, and in the community.

Sensory profile 2 User and Digital manual

Vineland Adaptive Behavior Scales, Third Edition (Vineland-3)

The leading instrument for supporting the diagnosis of intellectual and developmental disabilities. Designed to meet any adaptive behaviour assessment need.

Vineland-3 Digital manual

Vineland-3

How much does this cost?

Pricing to access the Digital Assessment Library for Universities (DALU) is through an annual subscription, priced at **£65 per required licence**.

Customer type	University students and University educators
Customer description Customer type	University students studying speech and language or Occupational Therapy wanting to access to the digital stimulus books and manuals
Subscription type	University students and University educators
Who must purchase this subscription?	Universities
Subscription fee	£65 for an annual subscription per required licence
Terms of subscription	12 Months

Example:

Dr. Smith is teaching a master's level Speech and Language Therapy course at University. He has 20 students. He completes the DALU Order Form and emails this to Pearson Clinical. He is set up with a DALU account. He pays £1,365 for himself and his 20 students to access the digital test library for 12 months. After receiving his platform welcome emails from Pearson he sets up his students as users on the Q-global ® and Q-interactive platforms. Each student then receives an autogenerated 'Welcome to Q-global ® and Welcome to Q-interactive' email with their unique login details. Dr. Smith and his students can now access the digital test materials through the Q-global ® Resource Library and the Support tab in Q-interactive.

How do I purchase?

Please visit our [Digital Assessment Library for Universities home page](#) and sign up your institution as a member of our Training Partnership Program (TPP) – this is free and once approved your institution is eligible to take advantage of the DALU.

Once your account has been verified, you will then be given an email address to request your purchase. Please include with this email a purchase order showing the number of DALU licenses required, as well confirmation of the name and email address of the course leader who would be set up as the main account holder on the platforms. We will then create your account and send an invoice to your finance department for payment.
