## Quote Expiration

Your quote is valid for a maximum of 30 days from the date it is created unless it fits one of these scenarios:

1. A promo code used for the quote expires before the 30 day time period ends. In this case, the quote would expire on the promo code end date.
2. Quotes created in November/ December will expire 31<sup>st</sup> December due to pricing updates made annually on 1<sup>st</sup> January.

## To complete your order

### Online order (recommended)

To finalise your order online:

1. Sign in
2. Select either My Account or the Organisational Account you created the quote/are ordering on behalf of
3. Click on My Account or the Organisation Account title in the top right navigation
4. In the additional navigation box that opens click the quote link
5. Open the quote you'd like to check out with.

Option: You may also access your quote through the quote link provided in the email you received after saving a quote.

6. When you are in the quote, review your order, then click the ORDER button to begin checkout.

## Webform order

If you already have a Pearson account (non-website account for which you have an account number) and would like to use a purchase order, you may order directly via [webform](#). Please complete the form information and attach the purchase order PDF. Enter the quote number in the notes field. The quote number can be found on the quote PDF you received via email or online. You will receive an order case number and email confirmation when your order has been received.
